Research, interact with and invest in Scaleup tech companies

Research, interact with & invest in Scaleup tech companies

Access propriety equity research and private company information on Scaleup tech companies and generalist investors

Enable selected Scaleup tech companies and investors to discover and interact with each other

Deliver syndicated investment from generalist investors alongside lead tech funds

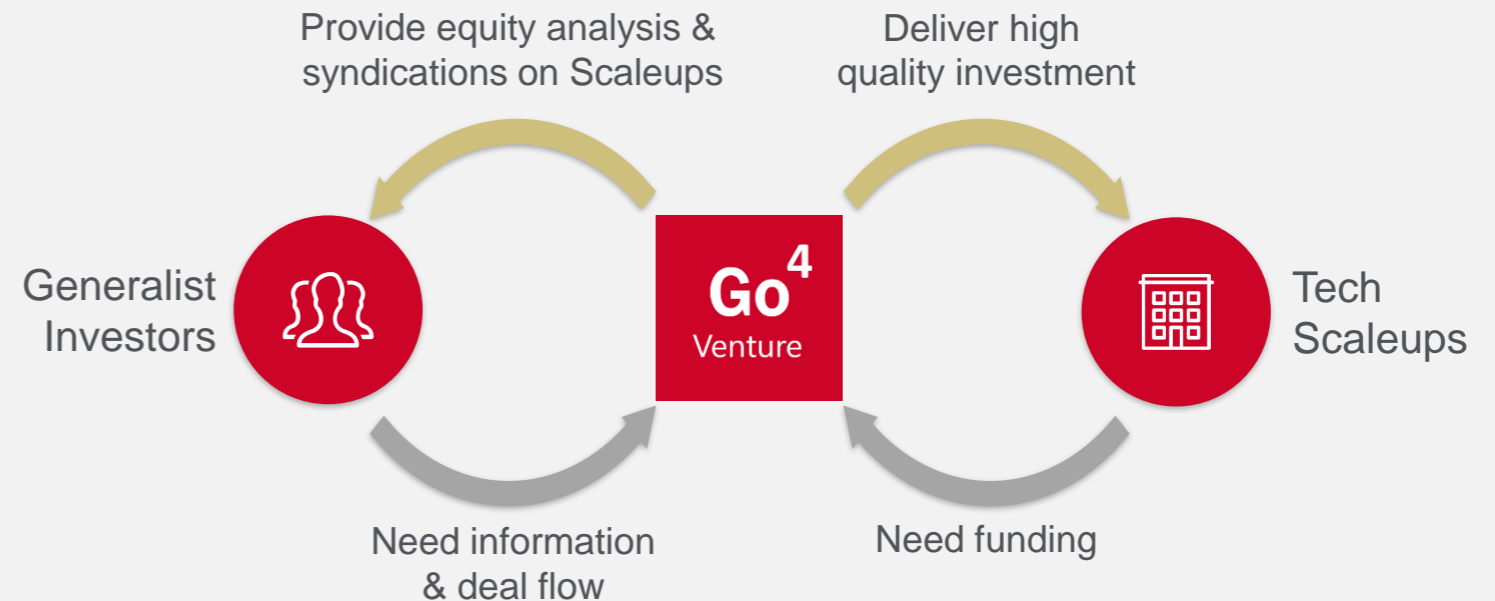

We are a Syndication Platform

- Creating a community for generalist investors and tech companies to interact throughout their growth
- Sourcing funds from a highly engaged Co-investor community built over 10 years by providing top-tier equity research
- Enabling rapid deployment of €2-10m of capital for business raising €5-50m
- Becoming a transactional platform to deliver a more efficient funding process for companies, advisors and investors

The Go4Venture Market Structure

We efficiently structure the market by offering a platform to help investors deepen their research capabilities and extend the fundraising reach of companies and their advisors

Equity Research & Analysis

We have created a highly engaged, trusting investor community by consistently delivering high quality research for over 10 years

We provide our investor community with a range of curated equity research on Scaleup companies

Our high level of engagement on equity research translates into high response rates on syndication opportunities

HTI Reports & Analysis

Equity Syndication

Source top-tier opportunities for our investor community

- Co-invest with lead tech investors
- In rounds of a minimum €5m
 - who have previously raised €2m
 - or have achieved €1m revenue
- Minimum syndication €1m
- Minimum ticket size €250k
- Where tech companies are seeking strategic investors

We supply a clearly scoped asset class and the tools to leverage it for a segment of the market seeking more manageable risks, with significant potential returns and shorter exit time horizons

Delivered via Go4 Platform

- Company tracking & notifications
- Tech-enabled shortlisting
- Syndication Teaser & Data Sharing
- Digital Onboarding (KYC/AML)
- Investor communication and deal management

Beneficial to Tech Companies

- Funding delivered in 4-6 weeks where a lead investor is in place
- Syndication Managers allow founders to focus on business
- Access to strategic investors
- Introductions for future rounds
- Promotion to large investor base

Syndication Platform for Generalist Investors
to Co-Invest with Specialist Venture & Growth Tech Funds
